Response To Request for Corrected Filing Receipt for 10/969,515 dated 12/27/2004

Dear Madame or Sir,

This request involves 2 patent applications: the parent case 09/759,843 and the second generation case 10/969,515.

Re 09/759,843: The original Filing Receipt reflects the correct Filing Date 01/12/2001. Although the Notice to File Missing Parts states that the Filing Date has been granted, when we received the Updated Filing Receipt (after submitting the Declaration and Fee), the Filing Date was changed to 03/26/2001. Please correct the Filing Date to reflect 01/12/2001.

Re 10/969,515: A Request to Correct the Filing Date was faxed on 12/10/2004 to correct the Filing Date for Domestic Priority Application. The Response to Request for Corrected Filing Receipt states that the Filing Date will have to be corrected by submitting a Request for Corrected Filing Date through the parent application.

Since this is a Request to Correct the Filing Date in the parent application, please also correct the Domestic Priority Application Filing Date in the 2nd generation application and issue Corrected Filing Receipts for both applications. I appreciate your time and help in this matter. If you have any questions, please do not hesitate to call me.

Sincerely yours,

Suzanne M. Cotugno
